**COMMUNICATION
REGARDING DOCKET
NUMBERS AND PAPERS OF
RELATED DIVISIONAL
CASES**

This communication is in response to letter of April 10, 2003 pointing out that the above captioned application and a simultaneously filed application, each of which are divisional applications of 08/902,160, were not processed correctly. The communication included copies of all papers filed by applicant in each application.

The applications have been reconstructed based on the submitted papers and the correct docket numbers. Note that some papers that are now officially of record in the case are unsigned because they are copies of the originals supplied from the prosecuting attorneys files.

The Office action mailed March 12, 2003 has been removed from the file and is no longer of record. The application is being forwarded to the examiner of record for appropriate action.

Inquiries with respect to this communication may be directed to the undersigned.
